OFFICE POLICY ACKNOWLEDGEMENT

Dr Burgoon's role is as a specialist in Medical Acupuncture and traditional Chinese medical therapy. Although he is fully trained as an Internal Medicine physician, he no longer serves as any patient's primary care doctor.

Dr. Burgoon asks that you please keep your regular primary care physician and specialists. He asks that you inform your regular medical doctors about any medical conditions you have and seek their opinion and advice so that you can be fully informed about options for your care. He is happy to discuss any questions you may have.

I understand the above.
